To Area Residents and Businesses,

On Tuesday August 27 th Blood Lines Films will be filming on Mattawa's Main Street. We will work on the Main Street from approximately 7:00 a.m. until roughly 1:00 p.m. The scenes involve several of our characters walking and talking on Main Street sidewalks and cars moving along the street. Access to businesses should remain normal although we may occasionally ask that people wait just a moment while we get a shot completed.

The film follows Beatrice, a headstrong Métis storyteller/grocery store clerk whose life is upended following the homecoming of her estranged mother (Leonore), and the entry of an alluring woman (Chani) into both of their lives.

We will be working with the assistance of the O.P.P. and will need to intermittently stop traffic for safety. There are no stunts or special effects involved with this filming. Cars will move as normal traffic would be moving.

Following completion of our work on Main Street we will move to Brydges St. and on to Moosehead Road in Mattawan Township. We will continue here with cars driving with both camera inside and vehicle passes with the camera outside the car.

Production Vehicles will be parked at the Mike Rodden Arena, 450 Hurdman Street. We will use pick-up trucks to move equipment to the filming locations. If you have any concerns I will be available at the number below.

Thank you for your assistance,
