## FAQs

### How should I set out my cart for collection?

- Set your recycling cart so that the wheels are away from the curb (towards your home, and the lid opens to the street).
- Place recycling and garbage carts at least 3 feet in front of or beside fences or vehicles.
- Place your cart on a flat surface clear of any snow and ice.

### What if I have excess recyclables that will not fit into the cart?

- If your recyclables don't fit, save them for your next collection day.

### Can I request a second cart?

- If you need a second recycling cart, you can request one from GFL for purchase.

## Benefits of recycling carts

- ✓ Recycling carts with lids fully closed help **minimize litter** and reduce odour and pest issues.
- ✓ **Increased storage** capacity between collections allows for more space for your recyclables.
- ✓ Collection systems with recycling carts create a **safer working environment** for workers and reduce the risk of injury and accidents.

## Questions?

### Contact GFL for questions about:

- Missed collection.
- Replacement carts.
- Special accommodation requests.
- Other recycling questions.
