

Hello,

Please be advised that today's collection in Mattawan must be moved to the next scheduled date because Highway 533 is closed due to a storm.

Please ask residents to bring their recycling in and place it back at the curb by 7:00 AM on their next scheduled collection date.

If you have any questions, please contact GFL at 1-888-796-4352 or by email [C29recycling@gflenv.com](mailto:C29recycling@gflenv.com)

Thank you,

**Jared Sleeth** (he/him)
